THE AMBASSADOR

TO WHOM IT MAY CONCERN

I express my utmost satisfaction for the results Mr. Luca Kosowski has achieved during his internship at the Italian Embassy in Kuala Lumpur.

He has integrated perfectly into the working team, providing commendable and competent assistance. He has shown an enterprising spirit and great motivation, a remarkable ability to adapt, a great inclination for teamwork, and a critical spirit, proving to be an exemplary trainee, and a resource of great value in supporting the activities carried out by this Embassy.

Mr. Kosowski's cultural background has aligned perfectly with the experience he has gained; he has in fact developed an in-depth knowledge of Malaysia and its relations with Italy in the context of ASEAN countries. Taking into account his academic background, he was assigned to the trade, cultural and political offices of this Embassy, and directly contributed to their activities and initiatives. In these areas, he has demonstrated talent, motivation, determination, listening skills and expertise, offering a highly appreciated support.

Mr. Kosowski distinguished himself for his high sense of duty, reliability, availability and ability in meeting deadlines associated with the numerous tasks assigned to him. This, together with his very pleasant disposition, allowed him to earn the trust and respect of the entire staff of this Embassy.

Particularly noteworthy was Mr. Kosowski's contribution to the preparation of events promoting the Italian industry, among which the *Week of the Italian Cuisine in the World*, and the *Italian Space Day*. He also collaborated on the *Italian Design Day in the World* and the 78th Italian National Day celebrations, offering an outstanding contribution in terms of digital content and line-up, thanks to his outstanding expertise and professionalism in this field.

Mr. Kosowski, who is proficient in Italian, German, Polish and Spanish, has also demonstrated an excellent command of the English language, both spoken and written, which enabled him to participate in particularly complex activities alongside the Head of Mission.

Mr. Kosowski, who has completely fulfilled and far exceeded my expectations, has proven to be an excellent and reliable collaborator. I hold him in the highest regard as a professional of great caliber - particularly in the content creation and digital domain – and I firmly believe that he will be able to offer an exceptional added value, even in particularly complex work environments.
